Immunization clinics in 1979 were held on an every other month basis. A total of 103 pre-schoolers received needed vaccinations. In 1980 these clinics will be offered monthly in order to facilitate the continuity of the vaccine regime. The pre-school Vision and Hearing Clinic was held in October and was well attended. Thanks is extended to Donna Roberts, RN, Bernice Potter, and Flora Day who volunteered their services.

Blood pressure clinics are held monthly in varying locations in Milan, Dummer, and West Milan. This past year serviced 239 local residents with referrals made to physicians as necessary. In October a diabetic and anemia screening clinic was held with a total of 47 residents screened.

In September, Elizabeth Eastman resigned as secretary. Thanks is extended for her service and interest. We welcome Jackie Gray as our new secretary.

1979 was a busy and productive year of the Home Nursing Center. I look forward to 1980 and further service to all local residents.

Respectfully submitted,
DONNA T. GAGNE, RN

With reference to the Ambulance report, the ambulance is in excellent condition, has approximately 35,000 miles of usage, and is maintained in top efficiency. As for equipment it is equally as good or better than other services in the area. The training aid as shown above, is for training of ambulance personnel, firemen, policemen, teachers, or any other group of interested persons, in Cardiopulmonary Resuscitation. You can contact

either Rachel Nadeau or Oneil Croteau, both are Certified Instructors. We do need help in the daytime, as in any volunteer service this is the difficult time to get assistance. In addition to the above, the Ambulance Service has a savings account in the amount of \$5,780, which is being held in reserve for the purchase of a new Chassie when same is required. Also we have held our appropriations at a figure of \$2.51 per capita, which is the same as when we started in 1973.

Report of Superintendent

1979 - 1980

To the Citizens of the Town of Dummer:

The Dummer Annual School District Meeting scheduled for March 11, 1980, will perhaps be one of the most important facing the community in many years. To be decided by the voters is whether your children in grades 1 - 6 will continue in Berlin or, over a period of years, will be transferred to Milan. The final decision rests with you.

SCHOOL WARRANT

In your 1980 school district warrant only two articles need to be brought to your attention: Article 3 and Article 4. Article 3 asks you, the voters, to make a decision regarding a proposed amendment to the AREA Agreement with Berlin. The amendment to the Agreement, if approved, would over a period of years phase out your children in grades 1 - 6. Article 4, on the other hand, would authorize your school board to sign a seven year tuition contract with Milan for the education of those same children. The decision you make regarding these two areas will be with you for many years in the future. It is imperative, therefore, that the best interest of your children be served.

BUDGET

The proposed budget for 1980-81 will be \$147,039.66 for a gross increase of \$5,026.85 above the current school year. However, because revenues are expected to be substantially below the current year the added amount to be raised by taxation will total \$13,029.54 resulting in a tax increase in excess of \$2.00 per \$1,000.00 of assessed value.

The increases in 1980-81 budget can be found in two areas:

1. there is an increase of \$3,000.00 tuition,
2. there is an increase of some \$1,700.00 in transportation.

The remaining \$300.00 is found in several areas of the budget in varying amounts.

ENROLLMENT

The number of students attending the Berlin and Milan Schools change from year to year. Therefore, to give you a comparison I have included both the numbers budgeted for 1979-80 and 1980-81:

<u>Grades</u>	<u>1979-80</u>	<u>1980-81</u>
1	6	3
2	8	8
3	5	6
4	6	9
5	5	5
6	9	5
7	9	10
8	1	8
9	6	1
10	7	5
11	9	9
12	6	6
Special	2	2
Contingency	3	3
	<u>82</u>	<u>80</u>

TUITION RATES

The tuition rates in Berlin have continued their upward climb though the increase has been more moderate than in recent years. The tuition chart below clearly illustrates what has happened:

	<u>1979-80</u>	<u>1980-81</u>
MILAN		
Elementary	\$ 885.00	\$ 956.00 (Est.)
BERLIN		
Elementary	1,390.21	1,432.63
Junior High	1,392.72	1,497.22
Senior High	1,749.17	1,891.36
STATE AVERAGE		
Elementary	1,288.00	1,481.00 (Est.)
Junior High	1,410.00	1,621.00 (Est.)
Senior High	1,540.00	1,771.00 (Est.)

SUMMARY

I wish to take this opportunity to express my thanks and appreciation to all those who share in the responsibility of providing an education to Dummer children, particularly the members of the school board, the bus driver, the treasurer, moderator, and clerk. Particular thanks is extended to Patricia Tremblay, a member of your school board who will not be returning with us.

Respectfully submitted,
 ROBERT BELLAVANCE
 Superintendent of Schools
